“(1) is qualified in a uniformed services specialty requiring proficiency in a foreign language identified by the Secretary

concerned as a foreign language in which it is necessary to have personnel proficient because of national defense or public health considerations;

“(2) received training, under regulations prescribed by the Secretary concerned, designed to develop a proficiency in such a foreign language;

“(3) is assigned to duties requiring a proficiency in such a foreign language; or

“(4) is proficient in a foreign language for which the uniformed service may have a critical need, as determined by the Secretary concerned.

“(b) AVAILABILITY OF BONUS.—Subject to subsection (c), the Secretary concerned may pay an annual bonus under this section to a member of a reserve component who satisfies the eligibility requirements specified in paragraph (1), (2), (3), or (4) of subsection (a).

“(c) CERTIFICATION OF PROFICIENCY.—To be eligible to receive special pay or a bonus under this section, a member described in subsection (a) or (b) must be certified by the Secretary concerned as being proficient in the foreign language for which the special pay or bonus is offered. The certification of the member shall expire at the end of the one-year period beginning on the first day of the first month beginning on or after the certification date.

“(d) SPECIAL PAY AND BONUS AMOUNTS.—(1) The monthly rate for special pay paid under subsection (a) may not exceed \$1,000.

“(2) The maximum amount of the bonus paid to a member under subsection (b) may not exceed \$6,000 for the one-year period covered by the certification of the member. The Secretary concerned may pay the bonus in a single lump sum at the beginning of the certification period or in installments during the certification period.

“(e) RELATIONSHIP TO OTHER PAY OR ALLOWANCE.—(1) Except as provided in paragraph (2), special pay or a bonus paid under this section is in addition to any other pay or allowance payable to a member under any other provision of law.

“(2) If a member of a reserve component serving on active duty receives special pay under subsection (a) for any month occurring during a certification period in which the member received, or is receiving, a bonus under subsection (b), the amount of the special pay paid to the member for the month shall be reduced by an amount equal to $\frac{1}{12}$ of the bonus amount.

“(f) CERTIFICATION INTERRUPTED BY CONTINGENCY OPERATION.—(1) Notwithstanding subsection (c), the Secretary concerned may waive the certification requirement under such subsection and pay monthly special pay or a bonus under this section to a member who—

“(A) is assigned to duty in connection with a contingency operation;

“(B) is unable to schedule or complete the certification required by subsection (c) because of that assignment; and

“(C) except for the lack of such certification, satisfies the eligibility requirements for receipt of special pay under subsection (a) or a bonus under subsection (b), whichever applies to the member.

“(2) For purposes of providing an annual bonus to a member under the authority of this subsection, the Secretary concerned may treat the date on which the member was assigned to duty

in connection with the contingency operation as equivalent to a certification date. In the case of a member whose certification will expire during such a duty assignment, the Secretary shall commence the next one-year certification period on the date on which the prior certification period expires.

“(3) A member who is paid special pay or a bonus under the authority of this subsection shall complete the certification required by subsection (c) for the foreign language for which the special pay or bonus was paid not later than the end of the 180-day period beginning on the date on which the member is released from the assignment in connection with the contingency operation. The Secretary concerned may extend that period for a member in accordance with regulations prescribed under subsection (h).

“(4) If a member fails to obtain the required certification under subsection (c) before the end of the period provided under paragraph (3), the Secretary concerned may require the member to repay all or a portion of the bonus in the manner provided in subsection (g).

“(g) REPAYMENT OF BONUS.—(1) The Secretary concerned may require a member who receives a bonus under this section, but who does not satisfy an eligibility requirement specified in paragraph (1), (2), (3), or (4) of subsection (a) for the entire certification period, to repay to the United States an amount which bears the same ratio to the total amount of the bonus paid to the member as the unsatisfied portion of the certification period bears to the entire certification period.

“(2) An obligation to repay the United States imposed under paragraph (1) or subsection (f)(4) is for all purposes a debt owed to the United States. A discharge in bankruptcy under title 11 that is entered for the member less than five years after the expiration of the certification period does not discharge the member from a debt arising under this paragraph. This paragraph applies to any case commenced under title 11 after the date of the enactment of this section.

“(h) REGULATIONS.—This section shall be administered under regulations prescribed by the Secretary of Defense for the armed forces under the jurisdiction of the Secretary, by the Secretary of Homeland Security for the Coast Guard when the Coast Guard is not operating as a service in the Navy, by the Secretary of Health and Human Services for the Commissioned Corps of the Public Health Service, and by the Secretary of Commerce for the National Oceanic and Atmospheric Administration.”

Subtitle D—Matters Relating to Museums and Commemorations

SEC. 1031. RECOGNITION OF THE LIBERTY MEMORIAL MUSEUM, KANSAS CITY, MISSOURI, AS AMERICA'S NATIONAL WORLD WAR I MUSEUM.

(a) FINDINGS.—Congress makes the following findings:

(1) The Liberty Memorial Museum in Kansas City, Missouri, was built in honor of those individuals who served in World War I in defense of liberty and the United States.

(2) The Liberty Memorial Association, the nonprofit organization that originally built the Liberty Memorial Museum, is responsible for the finances, operations, and collections management of the Liberty Memorial Museum.

(3) The Liberty Memorial Museum is the only public museum in the United States that exists for the exclusive purpose of interpreting the experiences of the United States and its allies in the World War I years (1914–1918), both on the battlefield and on the home front.

(4) The Liberty Memorial Museum project began after the 1918 Armistice through the efforts of a large-scale, grass-roots civic and fundraising effort by the citizens of the Kansas City metropolitan area, including veterans of World War I. After the conclusion of a national architectural design competition, ground was broken in 1921, construction began in 1923, and the Liberty Memorial Museum was opened to the public in 1926.

(5) In 1994, the Liberty Memorial Museum closed for a massive restoration and expansion project. The restored museum reopened to the public on Memorial Day in 2002 during a gala rededication ceremony.

(6) Exhibits prepared for the original museum buildings presaged the dramatic, underground expansion of core exhibition gallery space, with over 30,000 square feet of new interpretive and educational exhibits currently in development. The new exhibits, along with an expanded research library and archives, will more fully utilize the many thousands of historical objects, books, maps, posters, photographs, diaries, letters, and reminiscences of World War I participants that are preserved for posterity in the collections of the Liberty Memorial Museum. The new core exhibition is scheduled to open on Veterans Day in 2006.

(7) The City of Kansas City, the State of Missouri, and thousands of private donors and philanthropic foundations have contributed millions of dollars to first build and later restore the Liberty Memorial Museum. The Liberty Memorial Museum continues to receive the strong support of residents from the States of Missouri and Kansas and across the United States.

(8) Since its restoration and rededication in 2002, the Liberty Memorial Museum has attracted thousands of visitors from across the United States and many foreign countries.

(9) There remains a need to preserve in a museum setting evidence of the honor, courage, patriotism, and sacrifice of those Americans who offered their services and who gave their lives in defense of liberty during World War I, evidence of

the roles of women and African Americans during World War I, and evidence of other relevant subjects.

(10) The Liberty Memorial Museum seeks to educate a diverse group of audiences through its comprehensive collection of historical materials, emphasizing eyewitness accounts of the participants on the battlefield and the home front and the impact of World War I on individuals, then and now. The Liberty Memorial Museum continues to actively acquire and preserve such materials.

(11) A great opportunity exists to use the invaluable resources of the Liberty Memorial Museum to teach the “Lessons of Liberty” to schoolchildren in the United States through on-site visits, classroom curriculum development, distance-learning activities, and other educational initiatives.

(12) The Liberty Memorial Museum should remain the foremost museum in the United States regarding the national experience in the World War I years, which people can visit to learn about World War I and where the history of this monumental struggle will be preserved so that current and future generations may understand the role played by the United States in the preservation and advancement of democracy, freedom, and liberty in the early 20th century.

(13) The work of the Liberty Memorial Museum to recognize and preserve the history of the Nation’s sacrifices in World War I will take on added significance as the centennial observance of the war approaches.

(14) It is fitting and proper to refer to the Liberty Memorial Museum as “America’s National World War I Museum”.

(b) CONGRESSIONAL RECOGNITION.—Congress—

(1) recognizes the Liberty Memorial Museum in Kansas City, Missouri, including the museum’s future and expanded exhibits, collections, library, archives, and educational programs, as “America’s National World War I Museum”;

(2) recognizes that the continuing collection, preservation, and interpretation of the historical objects and other historical materials held by the Liberty Memorial Museum will enhance the knowledge and understanding of the experiences of the United States and its allies in the World War I years (1914–1918), both on the battlefield and on the home front;

(3) commends the ongoing development and visibility of the “Lessons of Liberty” educational outreach programs prepared by the Liberty Memorial Museum for teachers and students throughout the United States; and

(4) encourages present generations of Americans to understand the magnitude of World War I, how it shaped the United States, other countries, and later world events, and how the sacrifices made by Americans then helped preserve liberty, democracy, and other founding principles of the United States for generations to come.

App. 741 et seq.) and the Act of March 3, 1925, commonly known as the ‘Public Vessels Act’ (43 Stat. 1112; 46 U.S.C. App. 781 et seq.) (relating to claims for damages or loss on navigable waters)”.

SEC. 1082. SENSE OF CONGRESS CONCERNING MEDIA COVERAGE OF THE RETURN TO THE UNITED STATES OF THE REMAINS OF DECEASED MEMBERS OF THE ARMED FORCES FROM OVERSEAS.

(a) FINDINGS.—Congress makes the following findings:

(1) The Department of Defense, since 1991, has relied on a policy of no media coverage of the transfers of the remains of deceased members of the Armed Forces—

(A) at Ramstein Air Force Base, Germany;

(B) at Dover Air Force Base, Delaware, and the Port Mortuary Facility at Dover Air Force Base; and

(C) at interim stops en route to the point of final destination in the transfer of the remains.

(2) The principal focus and purpose of the policy is to protect the wishes and the privacy of families of deceased members of the Armed Forces during their time of great loss and grief and to give families and friends of the dead the privilege to decide whether to allow media coverage at the member’s duty or home station, at the interment site, or at or in connection with funeral and memorial services.

(3) In a 1991 legal challenge to the Department of Defense policy, as applied during Operation Desert Storm, the policy was upheld by the United States District Court for the District of Columbia, and on appeal, by the United States Court of Appeals for the District of Columbia in the case of *JB Pictures, Inc. v. Department of Defense and Donald B. Rice*, Secretary of the Air Force on the basis that denying the media the right to view the return of remains at Dover Air Force Base does not violate the first amendment guarantees of freedom of speech and of the press.

(4) The United States Court of Appeals for the District of Columbia in that case cited the following two key Government interests that are served by the Department of Defense policy:

(A) Reducing the hardship on the families and friends of the war dead, who may feel obligated to travel great distances to attend arrival ceremonies at Dover Air Force Base if such ceremonies were held.

(B) Protecting the privacy of families and friends of the dead, who may not want media coverage of the unloading of caskets at Dover Air Force Base.

(5) The Court also noted, in that case, that the bereaved may be upset at the public display of the caskets of their loved ones and that the policy gives the family the right to

grant or deny access to the media at memorial or funeral services at the home base and that the policy is consistent in its concern for families.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the Department of Defense policy regarding no media coverage of the transfer of the remains of deceased members of the Armed Forces—

(1) appropriately protects the privacy of the families and friends of the deceased; and

(2) is consistent with United States constitutional guarantees of freedom of speech and freedom of the press.

SEC. 2896. SENSE OF CONGRESS REGARDING EFFECT OF MILITARY HOUSING POLICIES AND FORCE STRUCTURE AND BASING CHANGES ON LOCAL EDUCATIONAL AGENCIES.

(a) FINDINGS.—Congress finds the following:

(1) There are approximately 750,000 school-aged children of members of the active duty Armed Forces in the United States.

(2) Approximately 650,000 of those students are currently attending public elementary or secondary schools in the United States.

(3) Changes to the military family housing policies of the military departments affect both military housing requirements and the number of dependent children living on military installations in the United States.

(4) Proposed restationing of units of the Armed Forces worldwide, including the return of a significant number of members of the Armed Forces stationed overseas to the United States and the Army proposal to modify its force structure to establish so-called units of action, will increase military housing requirements at military installations in the United States and may result in the need for additional educational facilities at such installations and in the adjacent communities.

(5) To help provide sufficient housing for members of the Armed Forces and their families, the Secretaries of the military departments intend to continue to use the authorities provided in subchapter IV of chapter 169 of title 10, United States Code, to carry out privatization initiatives that will improve or replace an additional 120,000 military family housing units in the United States.

(6) The Secretaries of the military departments may include the construction of school facilities as one of the ancillary supporting facilities authorized as part of a privatization initiative carried out under such subchapter.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the Department of Defense should—

(1) consider the effects that changes in force structure and overseas stationing arrangements will have on—

(A) military housing requirements at specific military installations in the United States;

(B) the number of school-aged military dependents at those installations; and

(C) the need for additional educational facilities to serve such dependents; and

(2) consult with local communities and local educational agencies about the best ways to address such changing housing requirements and satisfy the need for additional educational facilities, including using the authority of subchapter IV of chapter 169 of title 10, United States Code, to include the construction of educational facilities as one of the ancillary supporting facilities authorized as part of military privatization housing initiatives.

SEC. 2897. SENSE OF CONGRESS AND STUDY REGARDING MEMORIAL HONORING NON-UNITED STATES CITIZENS KILLED IN THE LINE OF DUTY WHILE SERVING IN THE UNITED STATES ARMED FORCES.

(a) **SENSE OF CONGRESS.**—It is the sense of Congress that a memorial marker or monument should be designed and placed in an appropriate location to honor the service and sacrifice of individuals who, although not United States citizens, served in the United States Armed Forces and were killed in the line of duty.

(b) **STUDY.**—The Secretary of the Army, in consultation with the Secretary of Veterans Affairs and the American Battle Monuments Commission, shall conduct a study examining the feasibility of placing in Arlington National Cemetery, or some other appropriate location, a memorial marker honoring the service and sacrifice of non-United States citizens killed in the line of duty while serving in the Armed Forces.

(c) **CONTENT OF STUDY.**—The study required by subsection (b) shall include the following:

(1) A discussion of the historical development of Arlington National Cemetery.

(2) Comprehensive information on the memorial markers presently located in Arlington National Cemetery.

(3) A description of any limitations affecting the ability to establish new monuments, markers, tributes, or plaques in Arlington National Cemetery.

(4) A discussion of alternative locations outside of Arlington National Cemetery that have been used for comparable memorial markers.

(5) Recommendations for appropriate locations for a memorial marker that may be considered.

SEC. 3170. SENSE OF CONGRESS ON RESOURCE CENTER FOR ENERGY EMPLOYEES UNDER ENERGY EMPLOYEE OCCUPATIONAL ILLNESS COMPENSATION PROGRAM IN WESTERN NEW YORK AND WESTERN PENNSYLVANIA REGION.

(a) **FINDINGS.**—Congress makes the following findings:

(1) New York has 36 current or former Department of Energy facilities involved in nuclear weapons production-related activities statewide, mostly atomic weapons employer facilities, and 14 such facilities in western New York. Despite having one of the greatest concentrations of such facilities in the United States, western New York, and abutting areas of Pennsylvania, continue to be severely underserved by the Energy Employees Occupational Illness Compensation Program under the Energy Employees Occupational Illness Compensation Program Act of 2000 (title XXXVI of the Floyd D. Spence National Defense

Authorization Act for Fiscal Year 2001 (as enacted into law by Public Law 106-398); 42 U.S.C. 7384 et seq.).

(2) The establishment of a permanent resource center in western New York would represent a substantial step toward improving services under the Energy Employees Occupational Illness Compensation Program for energy employees in this region.

(3) The number of claims submitted to the Department under subtitle B of the Energy Employees Occupational Illness Compensation Program Act of 2000 from the western New York region, including western Pennsylvania, exceeds the number of such claims filed at resource centers in Hanford, Washington, Portsmouth, Ohio, Los Alamos, New Mexico, the Nevada Test Site, Nevada, the Rocky Flats Environmental Technology Site, Colorado, the Idaho National Engineering Laboratory, Idaho, and the Amchitka Test Site, Alaska.

(4) Energy employees in the western New York region, including western Pennsylvania, deserve assistance under subtitle B of the Energy Employees Occupational Illness Compensation Program Act of 2000 commensurate with the assistance provided energy employees at other locations in the United States.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the Secretary of Labor should—

(1) review the availability of assistance under subtitle B of the Energy Employees Occupational Illness Compensation Program Act of 2000 for energy employees in the western New York region, including western Pennsylvania; and

(2) recommend a location in that region for a resource center to provide such assistance to such energy employees.
