JAN 4 1993

Ms. Faith Hochberg
Deputy Assistant Secretary
Enforcement
Department of the Treasury
1500 Pennsylvania Ave, N.W.
Washington, DC 20220

Dear Ms. Hochberg:

I have received your letter of May 4, 1993, requesting a Department of Defense (DoD) expert with experience in special operations and its associated disciplines be made available to provide input into your investigation of the February 28, 1993 events in Waco, Texas. We would like to be responsive to your request; however, in order to ensure the appropriate person is made available to your department and to ensure we are able to protect certain operational sensitivities, more information is needed regarding the anticipated scope of DoD involvement in the review and the exact nature of the duties of the designated DoD representative.

Specifically, what role will DoD have in the after action review and in what format do you want the input, verbal or written? Will the DoD representative have to travel to participate in this review and how long do you anticipate needing the individual's services?

I appreciate your sensitivity to the fact that you are asking the military to review the actions of a civilian law enforcement operation. In that regard, I request that DoD not be asked to pass judgement on the law enforcement activities and that our comments be non-attributable.

I anticipate that DoD will be able to provide you with some assistance in your investigation. The point of contact in my office for this request is [REDACTED], who can be reached at (703) 693-2898. I look forward to hearing from you.

Sincerely,

[REDACTED]
