Here are bios for the Chinese principals SecDef will be meeting in Shanghai, as well as a bio of CG Levine. I'll see if I can't get a little more info on the Stock Exchange folks, Tu Guangshao and Liu Xiaodong (who goes by James). Please pass this info to (b)(6)

Also, I will collect info on SecDef's dinner guests and have it packaged for him here in Shanghai. Please call with any questions.
