Dear Mr. Sullivan:

The attached briefing on Walter Lippmann is returned to you with many thanks inasmuch as I do not feel that this is the type of material which you would care to have detached permanently from your files.

I appreciate very much receiving this detailed information, by means of which we have been able to make a decision which was required of us in consulting with Mr. Lippmann on a somewhat sensitive matter.

Sincerely,

Millard C. Young
MILLARD C. YOUNG
Brigadier General, U. S. Air Force
Chief, Joint Subsidiary Plans Division
