Forwarding attached doc. E mail trail explains. Will also send via cables as an Alpha doc to make sure you receive it.

The one thing I am uncomfortable with is in the dialogue below, we learn "from State" that Mr. Hadley wants SD to engage his UK counterpart.

I checked with cables and I can't determine that Hadley called SECDEF about this.

Certainly makes sense that SD should discuss with UK counterpart, but I just don't like the process foul. If Mr. Hadley wants SD to do something, I would imagine he would call him and tell him. I am trying to reach Hadley's MA on a Friday night here, no joy yet.

With this e mail and attached doc, know you can initiate a call to Mr. Hadley's office if desired.
