MEMORANDUM FOR DIRECTOR, DEFENSE MAPPING AGENCY

SUBJECT: GEOS-3 Data Release (U)

The attached letter dated September 17, 1975, from Mr. Charles W. Mathews advises that NASA is now distributing GEOS-3 data to their Investigators in accordance with the NASA/DoD Agreement on GEOS-C, dated March 27, 1975.

The NASA/DoD Agreement states that NASA will make every effort to comply with the intent of the Agreement and advise DoD prior to any departure from it. I know that DMA has been working closely with NASA in implementing this Agreement and in devising necessary procedures for handling data from GEOS-3. Please let me know if significant problems develop in the future which might cause NASA to depart from the Agreement.
