MEMORANDUM FOR THE SECRETARY OF DEFENSE

SUBJECT: PRM 23: SEASAT - ACTION MEMORANDUM

Since the JCS have insisted on their position, the issue presumably must go to the White House for resolution. I attach a cover memorandum from you to Dr. Brzezinski summarizing the arguments on the issue. It has been agreed informally by JCS and the other agencies as adequately stating the issues. The separate views of JCS, NASA and State are attached to it as tabs, as is the (not fully agreed) detailed Study Group report on the issue.

I recommend that you sign the cover memo to Dr. Brzezinski.
