Contrary to what the article suggests, CERP funds have not dried up. \$25M of non-appropriated funds were transferred to CPA for CERP purposes last week to provide an adequate cash reserve until appropriated funds kick in. Regulations for use of the appropriated funds will be in place by the end of the week (if not sooner), providing access to the funding provided by Congress in the supplemental, which was signed on 6 November.

101 ABN: A very good day in AO North. We received and distributed our \$1M CERP reload, and we are continuing to try to develop a sense of what the future holds for CERP reloads so we can plan our actions. We are continuing to work every avenue for funds, and Governor Al Basso is following suit. As an example, \$10K earned through bus fees from the recently authorized trips to Syria will be absorbed into the city budget to be applied to other requirements as determined by the City Council. He and the majority of the Iraqi leadership at all levels are increasingly taking charge, relying on us less, applying initiative, making sound decisions, and implementing policy that will make their country better.
