Dear Mr. Secretary:

On December 9, 2006, Chairman Warner wrote the attached letter to you regarding the travel plans of Senator Bill Nelson and Ms. Caroline Tess to Haiti, the Dominican Republic and the Bahamas during the period January 11-16, 2007.

The purpose of this letter is twofold. First, I am writing to advise that it is my intent, once I officially become Chairman of the Committee, to authorize this travel and I will be happy to write again, if necessary, once I do. Second, and in the meantime, to facilitate planning for this travel, Senator Nelson has requested authorization to begin his trip in Washington, DC but to return to Florida, vice Washington, DC, when the trip concludes. Ms. Tess will begin and end her travel in Washington, DC.

I will appreciate the continued support and assistance of the Department of Defense in connection with Senator Nelson's travel.

Thank you for your assistance in this matter.

Sincerely,

Carl Levin

Dear Mr. Secretary:

In connection with his responsibilities as a Member of the Senate Committee on Armed Services, Senator Roger F. Wicker plans to travel to Israel, Syria and Austria during the period February 13-21, 2009.

The purpose of his travel will be to engage in discussions with foreign leaders as part of the U.S. Helsinki Commission, as well as attending the Organization for Security and Cooperation in Europe (OSCE) Parliamentary Assembly.

I would appreciate the support and assistance of the Department of Defense in providing such transportation, including the use of foreign carrier and military air transportation, as may be required. It would also be appreciated if the Department of the Navy could be designated as the action agency for this travel.

Expenditure of funds for the payment of actual and necessary expenses and such transportation as may be required is authorized by 31 U.S.C. 1108(g).

Thank you for your assistance in this matter.

Dear Secretary Gates:

This letter is to request permission to include on my forthcoming Congressional Delegation (CODEL) to Africa the following former Members: Speaker Newt Gingrich, Senate Majority Leader Bill Frist and Secretary Jack Kemp.

The mission of the CODEL will be to explore ways of broadening and deepening trade and economic ties, and strengthening trade and development efforts, between the United States and the countries in sub-Saharan Africa. The presence of these senior and distinguished former Members who have contributed so much over the last decade to advance U.S. trade and investment relations with sub-Saharan Africa would significantly advance the goal of carrying forward and strengthening a bipartisan approach to U.S. strategic and economic policy towards Africa: a goal strongly shared by both Congress and the Administration. Therefore, I hope that you will approve this waiver.

Dear Mr. Secretary:

I am writing to request the use of a Nevada Army National Guard helicopter to review water-level conditions on Lake Mead and lands around Mesquite, Nevada during the upcoming Congressional August recess. The ongoing drought has caused severe water conditions at Lake Mead and all along the Colorado River. Securing and protecting Nevada's water resources is an issue of critical importance for the entire Nevada congressional delegation and this flight will help further my knowledge of current conditions. The Nevada congressional delegation is also working to address difficult public land issues in the Mesquite and Gold Butte areas. Review of that area would also be of great value.

Initial contact with the Nevada Army National Guard has found them available and eager to support the mission on a not-to-interfere with training basis, provided they receive approval from your office. I anticipate making my aerial survey of the area on August 20, 2008.

Thank you in advance for your time and consideration of this request. If you or your staff have any questions, please contact Bob Herbert of my staff at (202) 228-4578.

Dear Secretary Gates:

I respectfully request authorization to travel aboard military aircraft on July 7, 2008 to and from Burlington, Kansas. The purpose of the flight is to view the logjam at the John Redmond Reservoir. The logjam is of concern to many in the community in that over time, the logjam may force the Neosho River to cut a new path through private property.

Your assistance with this request is greatly appreciated. If there are any questions, please contact Judy Jewsome at 785-234-8111 or Doug Matties at 202-225-6601. Thank you in advance for your assistance.

Dear Mr. Secretary:

I am writing to you today to respectfully request that Paul Berkowitz, a Professional Staff Member for the Minority on the House Foreign Affairs' Subcommittee on International Organizations, Human Rights and Oversight, be granted permission to visit the U.S. Army Intelligence Center and School at Fort Huachuca, AZ; the U.S. Army JFK Special Warfare Center and School at Fort Bragg, N.C.; and the U.S. Navy Survival, Evasion, Resistance and Escape School, San Diego, CA.

Our Subcommittee has been exploring the interrogation techniques used by U.S. officials on detainees in various locations. As some officials have testified that certain techniques utilized on detainees were derived from U.S. military training, Mr. Berkowitz would like to learn more about what such training involves.

Mr. Berkowitz has already spoken with the Army and the Navy about visiting their facilities. The Army has arranged for a visit to Fort Huachuca on July 13, 14, and 15, 2008. Visits to the two other schools are in the process of being scheduled.

Thank you in advance for your compliance with this request. Please contact Mr. Berkowitz at the Subcommittee at 202-226-6434 to coordinate this request.

Dear Secretary Gates:

I respectfully request authorization for Judy Jewsome of my staff to travel aboard military aircraft on July 7, 2008 to and from Burlington, Kansas. The purpose of the flight is to view the logjam at the John Redmond Reservoir. The logjam is of concern to many in the community in that over time, the logjam may force the Neosho River to cut a new path through private property.

Your assistance with this request is greatly appreciated. If there are any questions, please contact Judy Jewsome at 785-234-8111 or Doug Matties at 202-225-6601. Thank you in advance for your assistance.

Sincerely,

Dear Mr. Secretary:

As you know, Senator Craig Thomas passed away on Monday, June 4, 2007. A funeral service will be held in Casper, Wyoming on Saturday, June 9, 2007. This letter is to request that the Department of Defense assign necessary transportation for a delegation of United States Senators and their spouses from Washington, D.C. to Natrona International Airport in Casper, Wyoming and back to Washington, D.C. on Saturday, June 9, 2007, to attend the funeral service.

The delegation will be accompanied by appropriate professional staff members and Capitol Police security agents. In accordance with the Department of Defense regulations, the Senators' spouses will accompany the group for protocol purposes at no additional expense to the Government. It is requested that former Members of Congress, their spouses, members of Senator Thomas' staff and former professional staff fly at no additional expense to the U.S. Government. In addition to the Senate delegation attending, we would like to request authorization for non-government personnel to fly on Department of Defense aircraft as part of the official funeral delegation and to reimburse the government for the costs of commercial excursion coach airfare plus one dollar.

It would be appreciated if the U.S. Marine Corps could be assigned as the escort service in this travel. We wish to approve payment of transportation and actual and necessary expenses as authorized by section 1108(g) of Title 31 of the United States Code.

Honorable Robert M. Gates
Secretary of Defense

Dear Mr. Secretary:

In my June 19 letter, I requested the use of a Nevada Army National Guard helicopter to review water-level conditions on Lake Mead and lands around Mesquite, Nevada during the Congressional August recess. The ongoing drought has caused severe water conditions at Lake Mead and all along the Colorado River. Securing and protecting Nevada's water resources is an issue of critical importance for the entire Nevada congressional delegation and this flight will help further my knowledge of current conditions. The Nevada congressional delegation is also working to address difficult public land issues in the Mesquite and Gold Butte areas. Review of that area would also be of great value.

Initial contact with the Nevada Army National Guard has found them available and eager to support the mission on a not-to-interfere with training basis, provided they receive approval from your office. The Nevada Army National Guard and National Guard Bureau continue to be of great assistance in planning this mission, and the following information is provided to allow the planning to continue.

I intend to conduct my aerial survey of the area on August 20, 2008. I will be accompanied by Ms. Shannon Raborn, Mr. Neil Kornze, Mr. Kevin Kelleher, and two members of my U.S. Capitol Police security detail, whose names I will provide once the specific assignments have been made.

I will be conducting this travel under the authority of the Senate Majority Leader (31 USC 1108 (G)) and in accordance with DoD 4515 and DoD 4515.13R.

Thank you in advance from your time and consideration of this request. If you or your staff have any questions, please contact Bob Herbert of my staff at (202) 437-3162.

Dear Mr. Secretary:

I am writing to authorize Representative Zoe Lofgren, Chairwoman of the Subcommittee on Immigration, Citizenship, Refugees, Border Security, and International Law of the House Judiciary Committee, as well as Representative Lofgren's Chief of Staff, Stacey Leavandosky, and Subcommittee Counsel David Shahoulian to travel to the Commonwealth of the Northern Mariana Islands (CNMI) on or about August 10-17, 2007. If necessary, the use of Domestic and/or Foreign Flag carriers is authorized. For purposes of protocol, Members' spouses will be authorized to accompany the delegation at no additional expense to the U.S. Government.

The purpose of the travel is to hold official meetings and make site visits. The trip will allow for Ms. Lofgren and staff to join Members and staff of the Natural Resources Committee's Subcommittee on Insular Affairs, who are traveling in the Pacific at that time. The CODEL will meet with Navy and Air Force officials to gather information about the proposed DOD project that will relocate Marine Corps forces from Japan to Guam, which will increase the strategic role of the Marianas Region. The relocation will enhance Navel Base Guam's aircraft carrier transient operational and logistics support capability as well as locating an Army Ballistic Missile Defense task force on Guam. It is my understanding that the Department of Defense is funding that travel, and that Ms. Lofgren and staff would join the delegation for the portion of their trip in Guam and the CNMI.

Members and staff will observe changing circumstances in the Marianas chain in regards to social, economic, and security conditions, and will discuss proposed legislation that would affect security in the entire region. In particular, the Judiciary Committee is weighing a bill that would expand the Immigration and Nationality Act over the CNMI, which will have important security considerations and may affect the movement of service personnel and contractors

The Honorable Robert L. Wilkie Jr.
Assistant Secretary of Defense for Legislative Affairs
1300 Defense Pentagon
Washington, DC 20310

Dear Secretary Wilkie,

I write to respectfully request your immediate attention to and assistance with favorably resolving a matter that is inhibiting the ability of a certain employee of the United States House of Representatives from participating in an official Congressional Staff Delegation to Guam scheduled to occur on or about August 22-25, 2007, also referred to as STAFFDEL HERRMANN. I am informed that resolution must be brought to varying interpretations of internal Department of Defense (DoD) travel regulations with respect to STAFFDEL HERRMANN. Specifically, an employee who is individually appointed on my staff will not be able to lead this STAFFDEL unless a specific authorization for their travel is issued by and received from the Office of the Secretary of Defense (OSD). I respectfully request your assistance in securing the issuance and receipt of such authorization as soon as possible.

STAFFDEL HERRMANN is being organized by the Office of Legislative Affairs (OLA) in the Department of the Navy for the purposes of having staff participate in the Joint Guam Program Office (JGPO)-sponsored Industry Forum. One of the main goals of the forum, and a priority for me, is to address statutory, regulatory, policy and legislative issues of concern that must be rapidly defined in order for this project to succeed. As you likely know, there are significant issues facing the military build-up on Guam and discussing these issues is critical to educating all interested parties to the true scope of this project. In particular, planning for this STAFFDEL has been closely coordinated between key personnel in Navy OLA and in the JGPO under the Assistant Secretary of the Navy for Installations and Environment (ASN I&E).

I understand however that the ability of my Military Legislative Assistant, Mr. Matthew Herrmann to lead this STAFFDEL can only be definitively made possible with the issuance of an OSD authorization to travel. This is reportedly due to the fact that DoD Directive 4515.12, "Department of Defense Support for Travel of Members and Employees of the Congress," provides for the delegation of the authority to the Secretaries of the individual Services to unilaterally extend invitations for sponsored non-

OSD 12489-07
8/1/2007 2:27:41 PM

reimbursable non-multi-departmental travel to employees of the House of Representatives or the Senate only to the extent that the travel is within the 50 States. It is unclear to me why the Secretary of the Navy is not permitted the authority to support travel for Congressional staff on this same basis to my Congressional District, a United States Territory. It appears that the U.S. territories, on which military installations are located without Status of Force Agreements, may have been inadvertently omitted from this operative section of the DoD Directive.

Irrespective of this omission in the cited DoD Directive, I believe it is important that the authorization to travel for this STAFFDEL be extended to Mr. Herrmann due to its significant relevance to his area of responsibility and to my official duties on the Committee on Armed Services. The itinerary of this STAFFDEL has been planned to coincide with both the: (1) the JGPO-sponsored Industry Forum on Guam on August 23 through August 24, 2007; and (2) the visit of a Congressional Delegation to Guam (CODEL SKELTON).

I note that similar impediments have arisen with planning Congressional Staff Delegations to Guam in the past, and in each such instance, have been resolved in a manner favorable to Congressional staff employed in non-committee positions. This was the case with respect to a U.S. Marine Corps House Liaison-organized STAFFDEL to Guam, Saipan, and Tinian in February 2002; for Navy OLA-organized STAFFDEL to Guam and Hawaii in April 2003; for a U.S. Pacific Command-organized STAFFDEL to Guam and Hawaii in August 2006; and most recently a Navy OLA-organized STAFFDEL to Guam in April 2007. I trust that similar resolution can be achieved in this instance that would enable Mr. Herrmann to participate in STAFFDEL HERRMANN. I further hope that an appropriate review of relevant DoD Directives and DoD travel regulations can be undertaken for the purposes of ensuring that such directives and regulations do not result in unfair application to my Congressional District and the other U.S. territories. Thank you for your attention to this matter. Please contact me or Mr. John Whitt, my Chief-of-Staff, at (202) 225-1188 should you have any questions. I look forward to your timely reply and favorable resolution of this matter.

Dear Mr. Secretary,

I would like to request a waiver of DOD Directive 4515.12 to permit my adult daughter, Jessica Fisher, to accompany me on the Price CODEL to Colombia from August 27 to 31. My wife is unable to accompany me as she is providing hospice care for her dying brother.

I was a Peace Corps volunteer in Colombia from 1964 to 1966, and have continued to be involved in US-Colombia policy for the last 4 decades. As my Peace Corps experience was the foundation of my career in public service, it would be very meaningful to me for Jessica to accompany me to Colombia to see the barrio where I worked, and to meet my Colombian friends with whom I have kept strong ties over the decades. In fact, President Uribe's brother is the doctor who took care of Jessica's aunt -- my sister -- when she passed away in Colombia from a riding accident, so our family ties to Colombia are very strong and personal.

Jessica speaks Spanish and can fulfill the necessary protocol requirements of the CODEL.

Thank you for your consideration of this very important request.

Sincerely,

Dear Mr. Secretary:

I have authorized Congressman Harry E. Mitchell to lead a delegation of Members and staff from the Committee on Veterans' Affairs on a fact-finding visit to Kuwait, Iraq, Afghanistan, and Germany during the period November 10-17, 2007. The precise dates are somewhat flexible. The delegation would like, if possible, to be in Iraq on November 11, 2007. The delegation will include, in addition to Congressman Mitchell, Congresswoman Ginny Brown-Waite of Florida; Congressman Zack Space of Ohio (tentative); Congressman Joe Donnelly of Indiana (tentative); Mr. Geoffrey Bestor, Staff Director for the Subcommittee on Oversight and Investigations; and Mr. Arthur Wu, Republican Staff Director for the Subcommittee. If Mr. Space and/or Mr. Donnelly is unable to go, another Member or other Members will go instead, so the delegation will consist of four Members and two staff.

The delegation is currently planning to travel to the combat theaters of operation to observe the medical care and evacuation routes of wounded service members. The delegation will travel from Washington, DC to Kuwait, Balad, Baghram, and Landstuhl. The delegation requests briefings and updates from Defense officials knowledgeable about theater medical care and evacuation procedures and policy.

The actual cost of lodging is authorized in Iraq and Afghanistan. It would be appreciated if the Department of Defense could furnish such assistance as may be required, including transportation, to facilitate this fact-finding visit. Dear Mr. Secretary:

I am writing to advise that I will be leading a delegation on a fact-finding visit to Kuwait, Iraq, Afghanistan, Pakistan, and Germany from August 20 to August 26, 2007. I have authorized Congressman Timothy J. Walz, Congressman John Boozman, and Tony Buckles, Chief of Staff of the House Committee on Veterans' Affairs, to participate in this trip. In addition, the Honorable R. James Nicholson, Secretary of the Department of Veterans Affairs, as well as Thomas Bowman, Chief of Staff to the Secretary, will be in attendance.

The primary purpose of the Delegation's visit is to travel to the combat theaters of operation to observe the medical evacuation routes of wounded service members. The delegation will travel from Washington, DC, to Kuwait, then to Iraq, then to Afghanistan, then to Pakistan, and then to Germany. They request briefings and updates from Defense officials knowledgeable on medical evacuation procedures and policy.

The actual cost of lodging is authorized for the Members of Congress and Committee staff for the countries to be visited. It would be appreciated if the Department of Defense could furnish such assistance as may be required, including transportation, to facilitate this fact-finding visit. The expenditure of funds for payment of actual and necessary expenses and such transportation as may be required is authorized pursuant to Title 31, U.S.C., Section 1108 (g) to the Members of Congress and Committee staff.

As Ranking Member on the Military Construction and Veterans Affairs Subcommittee I feel it is imperative for me to travel to Afghanistan to review important military construction projects under consideration by the Congress and my Subcommittee.

I am very conscious of CENTCOM's rationale for keeping CODEL members together, but Congressional responsibilities leave me no other recourse. I am writing to request a waiver to the CENTCOM policy. I would very much appreciate your expeditious approval of this request.
