1. Ray,

Please come prepared to answer questions as to how we get these people on whichever payroll makes sense. (b)(6) (b)(7)(C)

Also, we have one person from the Peace Corps. It would be terrific if we could get the Peace Corps to detail her to us for a period of 1 year.

2. (b)(6)
(b)(7)

Please provide Ray with forms that we can conduct background checks on these people. We are not looking to give them clearances, just need to make sure there is no adverse information.
