SAC: Rev'd. Noted/complete the following:

On 4 Oct 04, I sent an email to Mr [REDACTED] requesting to know, based on the location of the incident (NCIS AOR), if we could transfer the case to them. On this date he related that if the IMEF was in the area then we could. Coordination would have to be made with SA [REDACTED] to transfer. If it was the 82dn ABN then we would keep the case.

5 Oct 04
[REDACTED]

Sent email to SA [REDACTED] CID LNO to determine/verify if/when IMEF had control of Ramadi AOR. Pending reply from [REDACTED]

This may apply to all NCIS cases but we have not made that determination as of yet.

The U.S. Marine Corps assumed control of the Ramadi area of responsibility on or prior to 22 Mar 04. Additionally, SAC prepared memo for Ops review. This requesting NCIS assume investigative responsibility for the above investigations.

all

Between 7-8 Oct 04, coordination was effected with the USACIDC in an effort to have this investigation referred to the Naval Criminal Investigative Service (NCIS), as all of the alleged abuse occurred under the control of the 1st Marine Expeditionary Forces (1MEF), Ramdi, Iraq. Subsequent to coordination USACIDC determined this investigation would remain under the control of the Detainee Abuse Task Force (DATF).

On 8 Oct 04, SAC [REDACTED] forwarded a third Request for Assistance (RFA) to SA [REDACTED] Fallujah, Iraq, with a courtesy copy to his counter part, SA [REDACTED] NCIS, Al Assad, Iraq.

Problem areas: Since the initial RFA was forwarded to NCIS they have been non-responsive in completing the requests.

Rev'd. Noted/complete the following:

- Victim claimed he was abused by and interrogator with short blonde hair and a tattoo of a possible eagle on the upper portion of their left arm. Send an email to NCIS requesting a status of the RFA, more particularly, determine if they may have identified someone with a tattoo of a bird on the upper portion of their left arm, with blonde hair. I hope they do not miss that during the queries.
- Print out a picture of [redacted] tattoo. The copies are unreadable.
- The following info relates to ROI 0292-04-CID259-80289 but has been placed in this file: Noted that SSG [redacted] related he worked with SGT [redacted] a lot at the Manhattan Control Facility [redacted] is also noted in ROI 0256-04-CID259-80289). So, [redacted] has a tattoo on the upper portion of his right arm. Based on viewing the tattoo, it could be possibly mistaken as a bird of some type, especially if you aren't familiar with seeing tattoos on a regular basis. But [redacted] does not have blonde hair, it is black. Also, if we are going to use [redacted]'s statement in this case, the agent should have asked him if he recalled/remembered the victim in this case, Mr. [redacted]. The agent only addresses the question in ref to Mr. [redacted], the victim in ROI 0256-04. [redacted] related he vaguely remembered Mr. [redacted] so it is possible he may remember the Mr. [redacted]. Since [redacted] has not invoked, you need to re-coordinate with SA [redacted] and request he re-interview [redacted] in reference to Mr. [redacted] see if he remembers anything reference his allegation.
- Update your IP with additional leads. Also, take a look at this ROI and 0292-04 and 0256-04, and clearly ref/document the information that links them together. Before you re-coordinate with SA [redacted], review all three files and ensure you are asking all the relevant questions, especially if [redacted] or [redacted] were the interrogators during the time frame(s) in question.
- Post your AIR to file.
- Update you IP w/identified leads.
- Next SAC/TC review is 2 Dec 04.

Since we are preparing to transfer control of the investigations, we need to ensure the following takes place, which will help aid in a smooth transfer of cases:

1. Update all IPs w/outstanding and completed leads.
2. Update all 66s w/outstanding and completed RFAs.
3. Update all AAS. You AAS should provide the agent assuming the case with a snapshot of where you are in your case. (this should be in conjunction with your IP)
4. Prepare draft finals for all ROIs, and place in case file.
5. Prepare your AIRs for all files, to include SDFs. Make sure all AIRS are signed upon transfer of cases, and a copy is placed in the case file.
6. **Place note envelopes in every file.**
7. Make sure files are set up in proper order – all files should be set up similar, even if we are varying from CIDR 195-1. If we need to discuss further, we can. (see layout on front board prepared by SA [redacted])
8. Also, if you have identified any POC (names, numbers, emails) pertaining to your case, ensure they are annotated in file (IP sheet has place in bottom left corner).

Coordinated with Ops Officer CW4 [REDACTED], 11th MP BN CID, Camp Victory, Baghdad, Iraq APO AE 09342, who related that the Commanding General HQUSACIDC, MG Donald RYDER, had authorized the referring of certain investigation to other investigative units. Any criminal investigation where the remaining leads to be completed are best conducted by another criminal investigative unit, office or organization will have 2nd Status Reports completed referring the investigation to HQUSACIDC. After the 2nd Status Report is dispatched the investigation will be written Final Referred, reviewed by the Team Chief, Special Agent in Charge and Detachment Commander, before being closed and sent the HQUSACIDC. Once received by HQUSACIDC it will be determined which investigative agency is best suited for completing the investigation (i.e., NCIS, [REDACTED], FIU...) and the investigation will be forwarded to them.

This generic Agent's Activity Summary entry will be placed in each file that will be referred to HQUSACIDC.

MEMORANDUM FOR Director, Naval Criminal Investigative Service (NCIS),
Washington Navy Yard, Building 200, 1014 N. Street, SE Suite 102, Washington D.C.
20374-5008

SUBJECT: Memorandum of Referral (0250-04-CID259-80284)

1. The attached CID report and supporting documentation are forwarded for information and/or action deemed necessary.

2. On 2 Jul 04, the 504th Military Intelligence (MI) Brigade (BDE), Joint Interrogation and Debriefing Center (JIDC), Baghdad Central Confinement Facility (BCCF), Abu Ghraib, IZ, reported [REDACTED] alleged he was abused while detained by U.S. Forces at an unknown location.

3. On 22 Jul 04, [REDACTED] was interviewed and alleged he was captured on 14 May 04, and interrogated at a detention facility called "The Farm", which he stated was between Ramadi and Fallujah. [REDACTED] alleged during an interrogation a male interrogator grabbed him by his hair, pulled him to the floor and pulled his head back so far he could not breathe. [REDACTED] then stated the male released him and the interrogation ended. [REDACTED] described the male interrogator as white, short blonde hair, wearing tan pants and brown t-shirt and with a tattoo of a bird, possibly an eagle, on his upper left arm.

4. Investigation to date has determined [REDACTED] was captured by Weapons Company, 1st Battalion, 5th Marines, and was interrogated by Marine personnel at Camp Fallujah, IZ. [REDACTED] detainee records show he was in the custody of Navy and or Marine personnel until his transfer to BCCF. It is strongly believed that if the alleged offenses occurred they were perpetrated by members of the US Navy or Marine Corps.

5. The Final Referred Report and exhibits are being forwarded with this memorandum.

Mr. [REDACTED]

Hello. My name is SA [REDACTED] and I'm on the Detainee Abuse Task Force, out of Camp Victory, Iraq. I need to send NCIS an RFA ref one my cases, but I don't have an address to send it to.

It involves marines out of 1MEF, who worked at a detention facility called "The Farm", near Ramadi, Iraq. I know you guys have gotten some pretty bad RFA's out of this office in the past, but I can provide specifics in the RFA in order for you guys to work it.

So if you can provide me with a mailing address and an email address to send it to, that would be great.

The above ROI relates to an allegation of abuse. Further rev of the file determined the controlling unit was the U.S. Marines. Do we need to refer this to NCIS? Or, do we still go ahead and work it?

My initial bullshit card would be - "How did he know it was located where it was?" We don't tell detainees where they are going.

Mr. [REDACTED]

CID has been tasked to investigate all allegations of Detainee Abuse within the Theater of Operations for Iraq. We currently have approximately 50 open actions, ranging from a slap in the face to deaths. We are required on a weekly basis to provide investigative updates to CID Command, who in turn briefs the SECDEF, at the end of the week. It has been nothing less than a great challenge identifying whether or not the detainees are providing false information, as you can probably imagine. Our office consists of five agents. We do some traveling in the local area, but are limited.

b7C-4
b6-4

At this point, we have identified at least one case where the alleged victim related he was allegedly abused. During the process of the investigation, we have to obtain all detainee records, to include interrogation records, complete interviews of the alleged victims, alleged suspects of the abuse and any other investigative activity which might be appropriate. In this particular instance, the individual in question is [REDACTED] and the National Detainee Reporting Number is [REDACTED]. Mr. [REDACTED] stated he was captured on 14 May 04 and transferred to a facility called "The Farm" located between Ramadi and Fallujah.

Mr. [REDACTED] stated he was hooded and placed in a cell with sandbag walls and a wooden roof and left there for six days. On the evening of the sixth day, Mr. [REDACTED] stated he was taken to a metal connex, which contained a brown metal table and two white plastic chairs. Mr. [REDACTED] related he was sat at the table. Mr. [REDACTED] related there was a female linguist, with a Lebanese dialect, sitting behind the table. Mr. [REDACTED] related the interrogator was a young white male with short blond hair, tan pants and a bird, possibly an eagle, on his upper left arm. Mr. [REDACTED] stated during the interrogation, the man placed his foot between Mr. [REDACTED] legs against his groin. Mr. [REDACTED] related the man did not press his foot against Mr. [REDACTED] groin. Mr. [REDACTED] stated after a few minutes of questioning, the man grabbed Mr. [REDACTED] by his hair and pulled him and the chair to the floor. Mr. [REDACTED] explained he landed on the floor next to the wall. Mr. [REDACTED] related the man pulled his head back so far that Mr. [REDACTED] could not breathe. Mr. [REDACTED] stated the man released him and the interrogation was over. Mr. [REDACTED] related no abuse occurred after this incident.

Mr. [REDACTED] could not provide any further descriptive information on the male or female who interrogated him.

This is the allegation that was sent to USACIDC Command about "The Farm."

1. On 8 Feb 05, this office conducted an administrative review of this investigation, which noted the Request For Assistances (RFA), Information Reports, AIR's, Rights Waiver/Non-Waiver Certificates, and Sworn Statements attached to this file did not specifically address the allegations made by Mr. [REDACTED], but instead pertain to another detainee abuse investigation. The only similarity noted between the two investigations was the possibility of the same interrogator being listed in both investigations. Further review of this investigation noted the original RFA forwarded to the Naval Criminal Investigative Service (NCIS) was lacking in the proper information NCIS would need in order to properly complete the RFA.

2. On 10 Feb 05, this office coordinated with CW3 [REDACTED], Criminal Intelligence, 11th MP Battalion (CID), to determine a more specific unit, more specific than just 1MEF, of who had control over "The Farm", located between Fallujah and Ramadi, Iraq, during May 2004.
