DETAILS:

On 4 Apr 05, SA [redacted] coordinated with MAJ [redacted] who opined probable cause existed to believe the listed subjects committed the offenses they were titled for, with the exception of SPC [redacted] for kicking Mr. [redacted] in the chest during his apprehension.

The following information is provided to clarify questions proposed during an operational review of this final report:

During the interview of CPT [redacted] Operational Detachment Alpha 525 (ODA 525) B Company, 1st Battalion, 5th Special Forces Group, Fort Campbell, KY (AIR of SA [redacted], 11 Jan 04, Exhibit 1), CPT [redacted] stated the first interrogation of Mr. [redacted] was conducted on 6 Jan 04, from approximately 1000 to 1800, at the ODA compound on FOB Rifles Base, Iraq. Clarification of this statement, the interview was conducted sometime between 1000 and 1800 and it did not last for eight hours.

On 9 Jun 04, SA [redacted] interviewed SGT [redacted] Maintenance Troop, Support Squadron, 3rd ACR, Fort Carson, CO (AIR, 16 Sep 04, page 4, Exhibit 29) who stated Mr. [redacted] was seen at least two other times by medics for complaints of rib injuries. Attempts to locate the medics who allegedly saw Mr. [redacted] for the rib injuries met with negative results. On 10 Jun 04, SA [redacted] coordinated with CPT [redacted] Commander, Medical Troop, Support Squadron, 3rd ACR, Fort Carson, CO (AIR, 16 Sep 04, page 5, Exhibit 29) who stated none of the medics recalled treating Mr. [redacted] or seeing a detainee at the detention facility with the injuries described. Further a DA Form 6 was not maintained to document who was on call or working any particular day. All treatment given to detainees was documented in a green note book. On 10 Jun 04, SA [redacted] interviewed CPT [redacted] clerk, Medical Troop, 3rd ACR, Fort Carson, CO (AIR, 16 Sep 04, page 4, Exhibit 29) who stated he transferred all entries from the green note book into a data base and then burned the book. SA [redacted] conducted a review of the data base and did not note any entries pertaining to Mr. [redacted]

b7c2
b7c4

On 9 Jan 04, SA [redacted] interviewed Ms. [redacted] Linguist, Titan Corporation, Norfolk, VA, who stated she was present when Mr. [redacted] received his medical screening by CPT [redacted] Medical Troop, Support Squadron, 3rd ACR, Fort Carson, CO (AIR, 11 Jan 04, page 5, Exhibit 1). According to Ms. [redacted] Mr. [redacted] informed CPT [redacted] he had high blood pressure and was a diabetic. Allegedly, CPT [redacted] checked Mr. [redacted] blood sugar and examined the medication Mr. [redacted] was taking for his high blood pressure. The medical screening report (Exhibit 5) reflected Mr. [redacted] was not a diabetic and he did not have high blood pressure. The only noted medical issue was a skin rash. No medications were listed. On 10 Jun 04, SA [redacted] interviewed CPT [redacted] AIR, 16 Sep 04, page 4, Exhibit 29) who stated he did not conduct the medical screening of Mr. [redacted] and that the medical screenings were conducted by the detention facility personnel. He stated doctors, physician's assistance and medics were only contacted about a screening if the detainee had some sort of injury or complaint. On 9 Jan 05, SA [redacted] interviewed SSG [redacted] Aviation Maintenance Troop, 3rd ACR, Fort Carson, CO (AIR, 11 Jan 04, page 3, Exhibit 1) who stated he was only aware of Mr. [redacted] taking cough syrup and Motrin. He stated there was a board in the detention facility that told the guards which medications the detainees were taking. SA [redacted] stated Mr. [redacted] name was not listed on the board.

6. INVESTIGATIVE SUMMARY: THE INFORMATION IN THIS REPORT IS BASED UPON AN ALLEGATION OR PRELIMINARY INVESTIGATION AND MAY CHANGE PRIOR TO THE COMPLETION OF THE INVESTIGATION.

THIS IS AN OPERATION IRAQI FREEDOM INVESTIGATION.

5TH STAUS:

THE PURPOSE OF THIS STATUS REPORT IS TO AMEND THE TITLING OFFENSES WITH REGARDS TO SSG [redacted] SFC [redacted] AND SFC [redacted] AND TO FULLY IDENTIFY SFC [redacted] AND SSG [redacted] TO CORRECT THE SPELLING OF SFC [redacted] LAST NAME AND TO PROPERLY IDENTIFY THE VICTIM IN THIS INVESTIGATION AS DECEASED. FURTHER, TO ADD THE U.S. GOVERNMENT AS A VICTIM.

UPON AN ADMINISTRATIVE REVIEW BY THIS OFFICE, IT WAS DETERMINED SFC [redacted] NAME WAS SPELLED INCORRECTLY, SFC

b7c5

025353

[redacted] AND SSG [redacted] WERE NOT FULLY IDENTIFIED AND THE VICTIM WAS NOT LISTED AS DECEASED.

FURTHER INVESTIGATION HAS ESTABLISHED THAT SSG [redacted] SFC [redacted] AND SFC [redacted] DID ASSAULT MR. [redacted] INFLICTING SERIOUS INJURIES TO HIS UPPER BODY WHICH COMPROMISED HIS ABILITY TO BREATHE THREE DAYS PRIOR TO HIS DEATH. HOWEVER, THE AUTOPSY FINDINGS AND OPINION OF THE MEDICAL EXAMINER ARE THAT THE INJURY TO MR. [redacted] THROAT, WHICH CAUSED HIS DEATH, WAS NOT SURVIVABLE FOR 72 HOURS. THEREFORE SSG [redacted] SFC [redacted] AND SFC [redacted] WERE REMOVED FROM SUSPICION FOR THE DEATH. OTHER SOLDIERS WHO HAD PHYSICAL CONTACT WITH MR. [redacted] ARE BEING INVESTIGATED FOR CONTRIBUTING TO THE DEATH; HOWEVER, NO ONE HAS YET REACHED THE THRESHOLD FOR TITLING AT THIS TIME.

b7c5
b7c4

INVESTIGATION ALSO ESTABLISHED CREDIBLE INFORMATION THAT SSG [redacted] SFC [redacted] AND SFC [redacted] COMMITTED THE OFFENSES OF FALSE OFFICIAL STATEMENT, AND CONSPIRACY WHEN THEY ALL PROVIDED OFFICIAL STATEMENTS STATING MR. [redacted] ATTACKED THEM AND THE THREE OF THEM HAD TO SUBDUE MR. [redacted] BY STRIKING HIM FOR TWO TO THREE MINUTES. MR. [redacted] INJURIES WERE NOT CONSISTENT WITH THIS EXPLANATION IN THAT THE NUMBER OF INJURIES AND SEVERITY OF THE INJURIES EXCEEDED THE FORCE THAT WOULD REASONABLY BE REQUIRED FOR THREE MEN TO SUBDUE HIM. THE EXPLANATION WAS ALSO INCONSISTENT WITH THEIR OWN ASSESSMENT THAT MR. [redacted] COULD NOT HAVE ACTED ALONE WITH THE EMPLACEMENT OF 155MM ROUND IMPROVISED EXPLOSIVE DEVICES, IN THAT HE LACKED THE PHYSICAL STRENGTH TO CARRY A 155MM ROUND ON HIS OWN.

INVESTIGATION CONTINUES BY CID.

4TH STATUS:

THE PURPOSE OF THIS STATUS REPORT IS TO CHANGE THE OFFENSE OF MURDER AGAINST SSG [redacted] SFC [redacted] AND SFC [redacted] TO VOLUNTARY MANSLAUGHTER.

UPON AN ADMINISTRATIVE REVIEW BY USACIDC COMMAND, IT WAS DETERMINED CREDIBLE EVIDENCE DID NOT EXIST AT THIS TIME TO SUPPORT THE OFFENSE OF MURDER, BUT DID EXIST TO SUPPORT THE OFFENSE OF VOLUNTARY MANSLAUGHTER.

INVESTIGATION CONTINUES BY USACIDC.

3D STATUS:

THE PURPOSE OF THIS STATUS REPORT IS TO ADD SSG [redacted] SFC [redacted] AND SFC [redacted] AS SUBJECTS FOR THE OFFENSE OF MURDER AND SPC [redacted] FOR THE OFFENSE OF ASSAULT.

UPON FURTHER REVIEW BY THIS OFFICE, IT WAS DETERMINE CREDIBLE EVIDENCE EXISTED TO BELIEVE SSG [redacted], SFC [redacted] SFC [redacted] COMMITTED THE OFFENSE OF MURDER AND SPC [redacted] COMMITTED THE OFFENSE OF ASSAULT.

SSG [redacted] SFC [redacted], AND SFC [redacted] ADMITTED TO STRIKING MR [redacted] SEVERAL TIMES DURING THE INTERROGATION, INTENTIONALLY INFLICTING GREAT BODILY HARM RESULTING IN MULTIPLE FRACTURED RIBS AND EVENTUALLY THE DEATH OF MR [redacted]

SPC [redacted] ADMITTED TO KICKING MR [redacted] IN THE CHEST WHILE HIS HANDS WERE BOUND DURING HIS APPREHENSION.

INVESTIGATION CONTINUES BY USACIDC.

2D STATUS:

THE PURPOSE OF THIS STATUS REPORT IS TO REPORT PRELIMINARY AUTOPSY FINDINGS AND TO ADD SSG [redacted] SFC [redacted], SFC [redacted] AND SPC [redacted] S SUBJECTS OF THIS INVESTIGATION.

ON 10 JAN 04, SUBSEQUENT TO RIGHTS WAIVER, SPC [redacted] RENDERED A SWORN STATEMENT WHEREIN HE ADMITTED TO KICKING MR. [redacted] IN THE CHEST AFTER HIS APPREHENSION WHEN HE REFUSED TO STOP TALKING. MR. [redacted] HANDS WERE SECURED WITH ZIP TIE STYLE HANDCUFFS AT THE TIME OF THE ASSAULT.

ON 10 JAN 04, SUBSEQUENT TO RIGHTS WAIVER, SSG [redacted] RENDERED A SWORN STATEMENT, WHEREIN HE ADMITTED TO REPEATEDLY STRIKING MR. [redacted] TO SUBDUE HIM WHEN HE ASSAULTED SFC [redacted] DURING INTERROGATOIN ON 6 JAN 04.

ON 10 JAN 04, SUBSEQUENT TO RIGHTS WAIVER, SFC [redacted] RENDERED A SWORN STATEMENT, WHEREIN HE ADMITTED TO REPEATEDLY STRIKING MR. [redacted] TO SUBDUE HIM WHEN HE ASSAULTED SFC [redacted] DURING INTERROGATION ON 6 JAN 04.

ON 10 JAN 04, SUBSEQUENT TO RIGHTS WAIVER, SFC [redacted] RENDERED A SWORN STATEMENT WHEREIN HE ADMITTED TO REPEATEDLY STRIKING MR. [redacted] TO SUBDUE HIM, WHEN

b7c5 and b7c4

MR. [redacted] ASSAULTED HIM DURING INTERROGATION ON 6 JAN 04.

ON 11 JAN 04, A FORENSIC AUTOPSY WAS PERFORMED ON THE REMAINS OF MR. [redacted] BY DR (CDR) [redacted] OFFICE OF THE ARMED FORCES MEDICAL EXAMINER AT MORTUARY AFFAIRS, BAGHDAD INTERNATIONAL AIRPORT, BAGHDAD, IRAQ. MR. [redacted] SUFFERED MULTIPLE BLUNT FORCE INJURIES TO HIS UPPER BODY, TO INCLUDE THE FRACTURING OF MOST OF HIS RIBS AND MULTIPLE FRACTURES TO SOME OF HIS RIBS. DR [redacted] OPINED THE BLUNT FORCE INJURIES PRESENT ON THE UPPER BODY OF MR. [redacted] WERE CONSISTENT WITH A BEATING AND THE BRUISES APPEARED TO A COUPLE OF DAYS OLD. THE PRELIMINARY CAUSE OF DEATH WAS DETERMINED TO BE BLUNT FORCE INJURIES AND ASPHYXIA. THE MANNER OF DEATH WAS DETERMINED TO BE HOMICIDE.

b7c4 b7c2 b7c2

THIS IS AN OPERATION IRAQI FREEDOM INVESTIGATION.

5TH STATUS:

THIS STATUS REPORT IS BEING GENERATED TO DOCUMENT THE EVENTS THAT LEAD TO THE DEATH OF MR. [redacted] THE CAUSE OF DEATH WAS INDICATED AS BLUNT FORCE INJURIES AND ASPHYXIA, WHICH WILL BE EXPLAINED IN FIVE SEPARATE INCIDENTS. b7c4

FURTHER, THIS STATUS REPORT IS BEING GENERATED TO AMEND THE TITLING OFFENSES WITH REGARDS TO SSG [redacted] SFC [redacted], AND SFC [redacted] AND TO FULLY IDENTIFY SFC [redacted] AND SSG [redacted], TO CORRECT THE SPELLING OF SFC [redacted] LAST NAME AND TO PROPERLY IDENTIFY THE VICTIM IN THIS INVESTIGATION AS DECEASED. FURTHER, TO ADD THE U.S. GOVERNMENT AS A VICTIM AND TO ADD SPC [redacted] SPC [redacted], SPC [redacted] SPC [redacted] SSG [redacted] SPC [redacted], AND SGT [redacted] AS SUBJECTS.

UPON AN ADMINISTRATIVE REVIEW BY THIS OFFICE, IT WAS DETERMINED SFC [redacted] NAME WAS SPELLED INCORRECTLY, SFC [redacted] AND SSG [redacted] WERE NOT FULLY IDENTIFIED AND THE VICTIM WAS NOT LISTED AS DECEASED. b7c5

ON 9 AUG 04, CDR (DR) [redacted] CHIEF DEPUTY MEDICAL EXAMINER, ARMED FORCES INSTITUTE OF PATHOLOGY (AFIP), WASHINGTON, D.C. STATED MOST OF THE BLUNT FORCE INJURIES, SPECIFICALLY THE BROKEN RIBS (MULTIPLE, BILATERAL, DISPLACED AND COMMINUTED RIB FRACTURES WITH LACERATION OF b7c2

THE PLEURA) WERE LIKELY FRACTURED CLOSE TO THE TIME OF DEATH, SINCE THERE WAS LITTLE OR NO BLEEDING ASSOCIATED WITH THE FRACTURES. DR. [redacted] ALSO STATED WITH THE INJURIES NOTED AT THE TIME OF AUTOPSY, IT WOULD BE IMPOSSIBLE FOR MR. [redacted] TO WALK, OR ATTEMPT AN ESCAPE. DR. [redacted] STATED THE DESCRIBED METHOD IN WHICH PFC [redacted] UTILIZED A BATON TO BRING MR. [redacted] TO A STANDING POSITION WOULD BE CONSISTENT WITH THE BROKEN HYOID BONE, BUT STATED IT WOULD TAKE A SIGNIFICANT LEVEL OF FORCE ON THE BEHALF OF PFC [redacted] TO FRACTURE THE BONE. DR. [redacted] FURTHER RELATED THERE WERE CONTUSIONS OF VARIOUS DEGREES OF COLORATION, INDICTING SFC [redacted] SFC [redacted], AND SSG [redacted] WERE THE LIKELY CAUSE OF SOME OF THE RIB FRACTURES.

b7c2 b7c4 b7c5

1ST INCIDENT

SHORTLY AFTER THE CAPTURE OF MR. [redacted] 4 JAN 04, SPC [redacted] KICKED MR. [redacted] IN THE CHEST TWO OR THREE TIMES. SPC [redacted] STATED THE REASON FOR THE ASSAULT WAS TO STOP MR. [redacted] FROM STANDING. MR. [redacted] WAS RESTRAINED WITH ZIP TIES AT THE TIME OF THE ASSAULT.

b7c5 b7c4

* POSSIBLE BRUISING. INSIGNIFICANT INJURIES

2ND INCIDENT

INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE SFC [redacted] SFC [redacted], AND SSG [redacted] COMMITTED THE OFFENSES AGGRAVATED ASSAULT, CONSPIRACY, AND FALSE OFFICIAL STATEMENT. ON 6 JAN 04, MR. [redacted] WAS TAKEN TO THE SPECIAL FORCES (SF) COMPOUND ON RIFLES BASE, AL ASAD, IRAQ FOR INTERROGATION. AT ONE POINT DURING THE INTERROGATION MR. [redacted] WAS FREED FROM HIS RESTRAINTS, AS A GOOD FAITH GESTURE FOR COOPERATING WITH THE INTERROGATOR. SHORTLY AFTER BEING RELEASED OF HIS RESTRAINTS MR. [redacted] ATTACKED SFC [redacted] AND MADE SEVERAL ATTEMPTS TO GAIN CONTROL OF HIS PISTOL, LOCATED IN A SHOULDER HOLSTER. THROUGH STATEMENTS FROM SFC [redacted] SFC [redacted] SSG [redacted] AND MR. [redacted] (INTERPRETER), IT TOOK THE THREE SF SOLDIERS ONE TO TWO MINUTES TO BRING THE DETAINEE UNDER CONTROL, DURING WHICH TIME EACH SOLDIER ADMITTEDLY KICKED, KNEED AND PUNCHED MR. [redacted] IN THE ABDOMEN / CHEST AREA, IN AN EFFORT TO "KNOCK THE WIND" OUT OF MR. [redacted] INFLICTING SERIOUS INJURIES TO HIS UPPER BODY WHICH COMPROMISED HIS ABILITY TO BREATHE THREE DAYS PRIOR TO HIS DEATH. HOWEVER, THE AUTOPSY FINDINGS AND OPINION OF THE MEDICAL EXAMINER

b7c5 b7c4 b7c5 b7c4

ARE THAT THE INJURY TO MR. [redacted] THROAT WAS NOT SURVIVABLE FOR 72 HOURS. THEREFORE SSG [redacted] SFC [redacted] AND SFC [redacted] WERE REMOVED FROM SUSPICION FOR THE DEATH.

SSG [redacted], SFC [redacted], AND SFC [redacted] COMMITTED THE OFFENSES OF FALSE OFFICIAL STATEMENT AND CONSPIRACY WHEN THEY ENTERED INTO AN AGREEMENT TO PROVIDE A UNIFORMED STATEMENT AS TO THE ALLEGED ATTACK ON SFC [redacted] BY MR. [redacted]. ALL THREE THEN PROVIDED OFFICIAL STATEMENTS STATING MR. [redacted] ATTACKED SFC [redacted] AND ATTEMPTED TO REACH FOR THE PISTOL LOCATED IN HIS SHOULDER HOLSTER. THEY STATED THEY HAD TO SUBDUE MR. [redacted] BY STRIKING HIM FOR ONE TO TWO MINUTES. SSG [redacted] SFC [redacted] AND SFC [redacted] STATED THEY NEVER ATTEMPTED TO GAIN CONTROL OF MR. [redacted] HANDS IN ORDER TO PREVENT HIM FROM REACHING FOR THE WEAPON. MR. [redacted] INJURIES WERE NOT CONSISTENT WITH THIS EXPLANATION IN THAT THE NUMBER OF INJURIES AND SEVERITY OF THE INJURIES EXCEEDED THE FORCE THAT WOULD REASONABLY BE REQUIRED FOR THREE MEN TO SUBDUE HIM. THE EXPLANATION WAS ALSO INCONSISTENT WITH THEIR ASSESSMENT THAT MR. [redacted] COULD NOT HAVE ACTED ALONE WITH THE EMPLACEMENT OF 155MM ROUND IMPROVISED EXPLOSIVE DEVICES, IN THAT HE LACKED THE PHYSICAL STRENGTH TO CARRY A 155MM ROUND ON HIS OWN.

* MAJORITY OF THE BRUISING AND PROBABLE CAUSE OF AN UNKNOWN NUMBER OF BROKEN RIBS.

3RD INCIDENT

INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE SPC [redacted] COMMITTED THE OFFENSES OF AGGRAVATED ASSAULT, CONSPIRACY, AND FALSE OFFICIAL STATEMENT; SPC [redacted] COMMITTED THE OFFENSE OF FALSE OFFICIAL STATEMENT AND CONSPIRACY; SPC [redacted] COMMITTED THE OFFENSES OF FALSE OFFICIAL STATEMENT AND CONSPIRACY; AND SSG [redacted] COMMITTED THE OFFENSES OF DERELICTION OF DUTY, CONSPIRACY, AND FALSE OFFICIAL STATEMENT.

AROUND 0230, 9 JAN 04, MR. [redacted] ESCAPED FROM HIS ISOLATION CELL AND MADE HIS WAY ALONG THE BACK WALL OF THE DETENTION FACILITY AND ALLEGEDLY OUT THE BACK DOOR, WHERE HE WAS APPREHENDED BY SPC [redacted]. SPC [redacted] AND SPC [redacted] HAVE STATED SPC [redacted] APPREHENDED MR. [redacted] ALONE BY GRABBING HIS SHOULDERS FROM BEHIND, CAUSING MR. [redacted] TO FALL BACKWARDS IN A TWISTING MOTION ONTO HIS BUTTOCKS. AT WHICH TIME SPC [redacted] STEPPED OVER, OR AROUND HIM, TO A

POSITION NEAR MR. [redacted] LEGS AND FEET. SPC [redacted] THEN ESCORTED MR. [redacted] TO THE SLEEP DEPRIVATION AREA LOCATED DIRECTLY IN FRONT OF THE GUARD STAND. HOWEVER, SSG [redacted] STATED SPC [redacted] CAUGHT MR. [redacted] PRIOR TO HIM LEAVING THE BUILDING. SSG [redacted] TATED UPON FIRST CONTACT, SPC [redacted] SLAMMED MR. [redacted] INTO THE BACK WALL, AND THEN BEAR HUGGED MR. [redacted] FROM BEHIND AND SLAMMED HIM TO THE FLOOR WITH SPC [redacted] LANDING ON TOP OF MR. [redacted]. FURTHER, SSG [redacted] FAILED TO INITIALLY REPORT HOW SPC [redacted] APPREHENDED MR [redacted] DURING THE ESCAPE ATTEMPT. SPC [redacted] ALSO STATED HE ENTERED INTO AN AGREEMENT WITH SSG [redacted] SPC [redacted] SPC [redacted] R, AND PFC [redacted] PRIOR TO BEING INTERVIEWED BY CID, IN THAT THEY WOULD NOT DISCLOSE THE FACT THAT MR. [redacted] ACTUALLY MADE IT OUTSIDE THE DETENTION FACILITY DURING HIS ESCAPE ATTEMPT. SPC [redacted] WAS THE ONLY INDIVIDUAL WHO REPORTED MR. [redacted] ACTUALLY MADE IT OUTSIDE THE FACILITY PRIOR TO BEING APPREHENDED, EVERYONE ELSE PROVIDED SWORN STATEMENTS IN WHICH THEY STATED MR. [redacted] NEVER MADE IT OUTSIDE OF THE FACILITY.

b7c4

b7c4

b7c4

* PROBABLE CAUSE OF AN UNKNOWN NUMBER OF BROKEN RIBS.

4TH INCIDENT

INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE PFC [redacted] COMMITTED THE OFFENSE OF NEGLIGENT HOMICIDE.

SHORTLY AFTER MR. [redacted] RECAPTURE FROM THE FAILED ESCAPE ATTEMPT HE WAS PLACED IN THE SLEEP DEPRIVATION AREA WHILE HIS CELL WAS REPAIRED. ACCORDING TO SPC [redacted] PFC [redacted] UTILIZED A MILITARY POLICE STYLE BATON TO BRING MR. [redacted] TO HIS FEET AFTER HE REFUSED TO STAND. SPC [redacted] STATED PFC [redacted] APPEARED TO BE VERY UPSET ABOUT THE ESCAPE ATTEMPT AND WHEN MR. [redacted] REFUSED TO STAND PFC [redacted] PLACED THE BATON UNDER THE CHIN OF MR. [redacted] WHILE STANDING BEHIND HIM, AND PULLED HIM TO A STANDING POSITION.

b7c4

b7c4

* CAUSE OF BROKEN HYOID BONE AND BRUISING OF NECK.

5TH INCIDENT

INVESTIGATION ESTABLISHED PROBABLE CAUSE TO BELIEVE SGT [redacted] AND SPC [redacted] COMMITTED THE OFFENSE OF NEGLIGENT HOMICIDE AND CRUELTY AND MALTREATMENT.

SHORTLY AFTER 0700, 9 JAN 04, SGT [redacted] AND SPC [redacted] REPEATEDLY ORDERED MR. [redacted] TO STAND AS PART OF A MASS

b7c4

PUNISHMENT. WHEN MR. [redacted] FAILED TO COMPLY WITH THEIR ORDER THEY HANDCUFFED MR. [redacted] TO THE DOOR FRAME OF HIS CELL IN SUCH A MANNER TO FORCE HIM TO REMAIN STANDING. SGT [redacted] AND SPC [redacted] STATED MR. [redacted] WAS GAGGED AFTER HE REFUSED TO STOP MAKING NOISE. SPC [redacted] STOOD BEHIND MR. [redacted] WITH THE GAG, AS SGT [redacted] UTILIZED PRESSURE POINTS ON THE UPPER JAW AND CHIN TO FORCE HIS MOUTH OPEN. SPC [redacted] PULLED THE GAG INTO PLACE AND TIED IT OFF BEHIND MR. [redacted] HEAD. SGT [redacted] AND SPC [redacted] STATED THEY ENSURED MR. [redacted] WAS BREATHING BEFORE THEY WALKED AWAY. SGT [redacted] AND SPC [redacted] WERE NOT AWARE OF PREVIOUS INJURIES INFLICTED UPON MR. [redacted] HOWEVER, THE ACT OF GAGGING AND HANDCUFFING MR. [redacted] TO THE DOOR FRAME, IN CONJUNCTION WITH PREVIOUS BLUNT FORCE INJURIES, COMPROMISED HIS ABILITY TO BREATH, RESULTING IN ASPHYXIATION AND DEATH.

* CONTRIBUTING CAUSE OF ASPHYXIA.

CONSIDERING ALL THE FACTS OF THIS INVESTIGATION IT IS REASONABLE TO PRESUME THAT THERE WAS NO ONE INCIDENT WHICH CAUSED THE FINAL DEMISE OF MR. [redacted] INSTEAD HE WAS STEADILY SUBJECTED TO PHYSICAL TRAUMA, BROUGHT ON BY HIS OWN ACTIONS; HOWEVER, EXCESSIVE FORCE WAS UTILIZED BY SSG [redacted] SFC [redacted], AND SFC [redacted], SPC [redacted], AND PFC [redacted] THERE IS INDICATION TO SUGGEST SGT [redacted] OR SPC [redacted] ACTED IN A NEGLIGENT MANNER WHEN THEY GAGGED AND FORCED MR. [redacted] TO STAND AS PUNISHMENT FOR TALKING. THE INITIAL INCIDENT WITH SPC [redacted] WAS DEEMED INSIGNIFICANT TO CAUSE GRIEVOUS BODILY INJURY FROM EYE WITNESS STATEMENTS, NOT ONLY FROM MEMBERS OF HIS UNIT, BUT ALSO FROM THE INTERVIEWS OF THE OTHER IRAQIS DETAINED AT THE SAME TIME AS MR. [redacted]

INVESTIGATION CONTINUES BY CID.

Around 1000, 9 Aug 04, SA [redacted] and SA [redacted] attended a briefing with Dr. [redacted] and Dr. [redacted] concerning the injuries and cause of death of Mr. [redacted] Dr. [redacted] stated the majority of the injuries sustained by Mr. [redacted] were caused hours, not days prior to his death. He stated most of Mr. [redacted] ribs were broken, several with ~~compound~~ multiple fractures. The ribs were broken in a crushing fashion described by Dr. [redacted] as normally seen in a vehicle accident death. Dr. [redacted] stated Mr. [redacted] would have been in great pain and would have had great difficulty breathing and would not have been able to walk or attempt an escape. Dr. [redacted] also stated Mr. [redacted] had an unhealthy heart, most likely had hyper tension as well as bruised lungs. Dr. [redacted] stated it was possible Mr [redacted] sustained one or two broken ribs and most of the visible bruising from the incident with ODA 525 two days prior to his death but not any of the life threatening injuries.

Agents Comment: With the information provided by Dr. [redacted] it is probable that the crushing injuries occurred during or just after his escape attempt, since the pathologist insists he would not have been able to make an escape attempt with the injuries noted. The personnel on shift during the time of the failed escape attempt were SSG [redacted] SPC [redacted] SPC [redacted], PFC [redacted] and SPC [redacted] SPC [redacted] and PFC [redacted] stated they did not witness the escape attempt as they were outside the building at the time performing a detail; SPC [redacted] admitted to apprehending Mr. [redacted] but stated he used an appropriate level of force. The escape attempt occurred early in the morning which would explain the reason a possible assault was not observed by other detainees as they were asleep.

SSG [redacted] detailed the following events of the apprehension of Mr. [redacted] by SPC [redacted]. SPC [redacted] and PFC [redacted] were also on the shift but were outside the building burning feces. After Mr. [redacted] actually got out of his cell and was shuffling towards the back door of the detention facility when SSG [redacted] told SPC [redacted] to get him. SSG [redacted] stated SPC [redacted] ran towards Mr. [redacted] with SPC [redacted] next, followed by him. He stated SPC [redacted] made contact with Mr. [redacted] pushing him into the back wall of the facility, which was made of plywood then bear hugged Mr. [redacted] turned him and brought him to the floor with SPC [redacted] landing directly on top of him. SSG [redacted] stated he did not touch the detainee nor did he see SPC [redacted] touch him other than assisting SPC [redacted] escort Mr. [redacted] to the front of the holding area. Once Mr. [redacted] was brought to the front of the detention area he was shackled and flexi cuffed. SSG [redacted] stated PFC [redacted] was in the holding area with the detainee but he did not see anyone else in with the detainee, however he believed the door of the holding area was left open which would give the remaining soldiers unrestricted access. SSG [redacted] stated he went to the isolation pen to repair it ~~to~~ prevent another escape. He stated while he was repairing the pen PFC [redacted] placed a gag on Mr. [redacted] but it was on him for only fifteen minutes. He stated it took him approximately one hour to

repair the cell at which time PFC [redacted] and SPC [redacted] walked Mr. [redacted] under his own power, to his isolation cell and shackled him to the corner of the cell. SSG [redacted] stated he checked the security of the detainee and that was the last contact he or his soldiers had with Mr. [redacted] SSG [redacted] stated he felt he held his soldiers back from abusing not only this prisoner but others by placing time limits for gagging and hog tying of prisoners. Additionally, SSG [redacted] stated that SPC [redacted] approached him upon hearing of the death of Mr. [redacted] and asked if in his opinion, the take down of Mr. [redacted] was in any way responsible for the cause of death of Mr. [redacted]

Around 1315, 18 Aug 04, SA [redacted] and SA [redacted] interviewed PFC [redacted]. Interview was terminated when PFC [redacted] stated he had retained a lawyer and was told by his attorney not to provide any further statements. ~~PFC [redacted] attorney was CPT [redacted] Fort Carson, Trial Defense,~~ [redacted]

Around 1500, 19 Aug 04, SA [redacted] and SA [redacted] advised SPC [redacted] of his legal rights which he waived and provided a verbal statement in which he continued to deny any knowledge of anyone striking or choking Mr. [redacted]. SPC [redacted] described how SPC [redacted] prevented Mr [redacted] escape as follows. After hearing the barbed and constantina wire rattle he noticed Mr. [redacted] was out of his isolation cage and walking quickly to the back door of the detention facility. He alerted SSG [redacted] and SPC [redacted] who were watching a DVD with him (SPC [redacted]. SPC [redacted] stated SPC [redacted] took off running and caught Mr. [redacted] just before he went out side the door. SPC [redacted] pulled Mr. [redacted] back by the shoulders to the ground and secured him until he and SSG [redacted] arrived, at which time Mr [redacted] may or may not have been leg shackled then walked to the front of the detention facility and placed in the sleep deprivation area. SPC [redacted] stated Mr. [redacted] walked under his own power to the sleep deprivation area and did not appear to be injured or having trouble breathing. He stated while Mr. [redacted] was in the sleep deprivation area SSG [redacted] repaired Mr. [redacted] s cell, which reportedly took only five minutes, (According to SSG [redacted] statement it took nearly an hour to repair the cell). SPC [redacted] stated other than keeping Mr. [redacted] awake he was not punished for the escape attempt. When asked why the detainee was not punished SPC [redacted] stated he believed the detainee to be at least seventy years old and emotionally unsound. SPC [redacted] stated when his shift was over around 0400, 9 Jan 04, Mr. [redacted] was being escorted by PFC [redacted] from the sleep deprivation area, but he did not see where PFC [redacted] took him.

Agents Comment: SPC [redacted] was extremely argumentive throughout the interview and refused to provide his finger prints or allow his photograph to be taken until ordered by a member of his command.

Around 1735, 19 Aug 04, SA [redacted] and SA [redacted] advised SPC [redacted] of his legal rights which he waived and rendered a sworn statement in which he admitted to conspiring with SSG [redacted] SPC [redacted]

MEMORANDUM FOR RECORD

SUBJECT: Operational Review of ROI 0009-04-CID697-83846

1. On 17 May 04, this office received a Request for Investigation from Headquarters, USACIDC, to conduct an operational review of all detainee deaths and other crimes against detainees by US military Personnel.

2. This investigation was initiated on 9 Jan 04. This investigation pertains to the death of [redacted] reported to be a former LTC in the Iraqi Army who died on 9 Jan 04 at the Detention Facility, Forward Operating Base, Rifles Base, Al Asad, Iraq. At the time of his death, he was gagged and handcuffed to the top of a doorframe to the room. According to witnesses, about five minutes later he was found dead. Medical personnel were called and determined he was dead, no life saving methods were employed. The final autopsy report listed the cause of death as blunt force injuries and asphyxia. Although a sergeant of the guard force ordered [redacted] to be hand cuffed to the door frame as punishment for talking, the autopsy indicates [redacted] died from the blunt force injuries which included massive contusions, numerous fractured ribs, internal injuries which included a fractured hyoid bone. The guard force denied hitting or striking Jaleel in any way, which would have inflicted such injuries. Between his capture on 4 Jan and his death on 9 Jan, there were at least three incidents in which embers of the 1/5th SF Group are known to have kicked and punched [redacted] Detailing a time line and specifics of those injuries is difficult.

b7c4

3. On 20 -21 May 04, the undersigned conducted an operational review of the above ROI and determined there was continuous investigative activity. This ROI was initiated on 9 Jan 04, by the 87th MP Det while deployed in Iraq. The unit re-deployed from Iraq in Mar 04 and was not replaced by another CID element. Therefore this case was brought back to Ft Bragg for completion. The last investigative activity, documented in the case file was 18 May 04. The original of the case file was secured in a conex on or about 10 Feb 04 for shipment, electronic copies of documents were maintained by the case agent. There had been no periodic reviews by the Det SAC although the Bn OPS and HQ, USACIDC was clearly involved and aware of the investigation. During the operational review, the following investigative issues or leads were identified as being outstanding:

a. A number of documents in the file are marked "secret" and therefore classification issues and storage concerns must be addressed.

b. A copy of the final autopsy report, prepared by AFIP, 30 Apr 04, was in the case file. There are a number of technical issues, which need to be addressed with AFIP and the pathologist.

c. There was no north wall sketch of the scene, no measurements of the height to the top of the doorframe to aid in determining the impact of being elongated for any period of time. Sketch of scene is incomplete, decisions regarding collection of items depicted in scene photographs need to be documented. Although now it is apparent the interrogation room should have been viewed by the agents, and documented, its value is doubtful.

d. There are a number of civilian translators [redacted] who need to be interviewed. The two other Iraq civilians who were apprehended with [redacted] were never identified or interviewed, they may have witnessed the first incident of physical force applied to [redacted] I suspect they both may have been released and may not be located.

e. There are a number of administrative and documentation issues to be corrected and a cross check of all names mentioned in statements and noted conducted.

f. The Commander, 1/5th SF Group completed a Commanders informal Inquiry, dated 23 Jan 04, which concludes [redacted] died as a result of injuries sustained during an escape attempt and the placement of a gag in his mouth by guards at the holding facility. It concludes Operational Detachment Alpha 525 did not contribute to the circumstances of his death. [redacted] they did not have the advantage of the final autopsy report and the detailed statements contained within the case file.

g. Overall, the case is reasonably thorough, considering the circumstances and the status of persons involved. This investigation may well be open for a considerable amount of time.

4. POC for this action is the undersigned at DSN: 236-[redacted] or email [redacted]@us.army.mil.

SUBJECT: Initial Update of Category I Monitorship ROI 0009-04-CID679-83846

About 1050, 9 Jan 04, SA [redacted] coordinated with SGT [redacted] 94th Military Police Co, FOB Rifles Base, Al Asad, Iraq, who related he had secured the crime scene pending the arrival of CID.

CRIME SCENE EXAMINATION: About 1055, 9 Jan 04, SA [redacted] this office, and INV [redacted] 94th Military Police Co, conducted a crime scene examination of the FOB Rifles Base Detention Facility located at MGRS 38S KC 60160 40494.

CHARACTERISTICS OF THE SCENE: The Detention Facility was located in a large, hardened airplane hangar. The interior of the hangar was divided into two large confinement areas and four isolation areas built using barbed wire and concertina wire. Each area had a metal-framed cage type door. The four isolation areas were located adjacent the southern end of the hanger.

CONDITION OF THE SCENE: The Detention Facility housed 130 detainees. The detainees were primarily housed in the two large confinement areas. Three detainees were housed individually in three of the four isolation cells. The body of Mr. [redacted] was located in the isolation cell closest to the southwest corner of the hangar. The body was lying face up, with his head facing the cell door. He was covered with a blanket. He was wearing undergarments that appeared to be soiled a shirt, which was pushed up towards his chest and a pair of pants, which were pulled down to his knees. Extensive bruising was visible on the upper body. The bruises were dark blue and purple in color. There was a second blanket rolled up on the floor at the foot of the remains. There was a light colored Dish Dash (Man Dress) draped over the concertina wire to the left of the deceased. A pair of leg shackles lay on the floor in the northeastern corner of the cell. There was an open MRE in the cell and one water bottle in the cell. It did not appear that any of the contents of the MRE were consumed. Immediately outside the deceased's cell was a rag. The rag was lying on the floor, and had been used to gag the deceased. There was a denim jacket lying on the floor outside of the cell in the southwest corner of the hangar.

ENVIRONMENTAL CONDITIONS: At the time of the crime scene examination the outside temperature was approximately 55 degrees Fahrenheit. There was low humidity and no signs of moisture. The temperature inside the hangar was approximately 60 degrees Fahrenheit.

FACTORS PERTINENT TO ENTRY/EXIT: There was one door that allowed entry/exit to Mr. [redacted] isolation cell. The Detention Facility was accessible by two doors. One door was located on the northern wall of the hangar the other on the southern wall.

currently have three enlisted Special Forces Soldiers titled for Voluntary Manslaughter and one ADA Soldier titled for Assault in the case. Autopsy was conducted on 11 Jan 04 by AFIP, who advised cause of death was blunt force trauma and asphyxia, with manner of death listed as homicide. I'll give [redacted] a call (I've worked with him before).

That was sarcasm.

If the COC does not help we will take it higher and let them fight it out. This whole thing is horse shit. CID has been "titling" people for years with less credible info and now all of a sudden everyone is wrapped up with getting an SJA opine to title. Maybe this will help CID change its titling process and keep the Subject info within CID channels until the end of the investigation. If the subject did not do it (unfounded) then it stays within CID and never makes it to CRC/NCIC.

The [redacted] Commander told me that he has left several messages with "CID" but nobody ever called him back. He's very frustrated. He wants to deconflict intelligence operations with criminal investigations, and to generally coordinate CID investigations that may affect his command. He asked me to track down someone in CID who is our primary CID point-of-contact for operations across Iraq (not a full-time person, just someone to call when necessary). We (CID) have titled [redacted] with Voluntary Manslaughter for now, this may change upon review of the final autopsy report. The other soldier [redacted] was titled with Assault. Subject: RE: CID Report 0009-04-CID679-83486

SA [redacted]--I took the detainee's name from the 1/5 commander's inquiry, which calls him [redacted] however I do note the CID report lists him as [redacted] For short, I've been calling him [redacted] but we are talking about the same person.

Generally speaking, Dr. [redacted] remained consistent with what I call his holistic approach/opinion to the detainee's death (most of the injuries he had right before he died made it hard for him to breath, and the neck injury and gag coupled with any pre-existing injuries made it impossible for him to breath). However, determining what injuries were pre-exisitng and how long those injuries were there is problematic for Dr [redacted] to opine about, with the important exception of the broken ribs.

In my view, the most serious of the pre-exisiting injuries are the multiple broken ribs and the broken hyroid bone/thryoid cartilage. For the broken ribs, Dr. [redacted] told me that in his opinion the breaks must have happened shortly before, during, or even immediately after death. He thought it was highly unlikely the breaks occured 36-48 hours before death, and unlikely they occured 16-20 hours before death. For the neck injuries, while probably not fatal by themselves, they would have been extremely painful and noticable to anyone around [redacted] Thus, he believes it is reasonable to assume this injury occured shortly before death and that whoever inflicted this injury knew he was causing serious injury. Dr [redacted] wouldn't let me pin him down on when [redacted] suffered the neck injury, but did say if we assume the guards were paying attention to him, the guards would have noticed immediately he was in significant pain. For the remaing blunt force injuries suffered by [redacted] Dr. [redacted] would not say with any degree of medical certainty when those injuries were inflicted.

Your point re [redacted] did not go into the detention facility with those injuries, and the only time he was not in full view of all the guards as well as the other detainees was when he was with ODA 525" is well taken by me and one I want to discuss further. First, one thing that is bothering me about this case is the lack of a paper trail for [redacted] once he is taken into custody. Did your investigation turn up any receipt of prisoner forms that comment on the detainee's health when he was first received by the detention facility and then when he was transfered back and forth between the facility and ODA 525?

Second, right now its my view that Dr. [redacted] medical opinions at the least makes any prosecution against an ODA 525 member problematic. For example, its tough to square what Dr [redacted] told me with the implication of your point above, which is if someone other than ODA 525 hurt [redacted] the CID investigation would have discovered that person. According to Dr. [redacted], a person or individuals were beating or kicking [redacted] so hard either shortly before, during, or shortly after death that the beating/ kicking broke several of [redacted] ribs. Per Dr [redacted], its highly unlikely that the 6 Jan 04 interrogation resulted in [redacted] broken ribs and unlikely the re-interrogation on 8 Jan 04 resulted in the broken ribs. (As far as I know, no individual's statement says any physical contact occured at the re-interrogation.) Given this timeline, it would not be unreasonable to assume whoever broke [redacted] ribs also is the person who strangled him or steped on his neck, but it would be unreasonable to assume either of these happened on 6 Jan 04. Thus, if we accept Dr [redacted] opinion, an individual or indivuals besides ODA 525 caused the broken rib and neck injuries--individual(s) who should have been observed by the guards, the detainees or both. Since Dr [redacted] cannot give an opinion when the other blunt force injuries occured, there is no way for us to know whether ODA 525 or the individual(s) who broke [redacted] ribs caused the other blunt force injuries.

Once you get a chance to read this over, I'll give you a call to discuss. MAJ [redacted]

I don't know how your conversation went with Dr [redacted] but it doesn't sound like it was in line with the conversation I had with him back in Jan 04. I find it troubling to think that [redacted] injuries were not a contributing factor to his death on 9 Jan. SA [redacted]--Dr. [redacted] postponed, so I didn't get a chance to talk to him until yesterday. Right now I'm reviewing my notes from what he told me, but the bottom line I took from our conversation is he was doubtful any injuries sustained by [redacted] on 6 Jan were a significant contributing factor to [redacted] death on 9 Jan. I'm going to review the entire file that I have one more time, and then prepare to make recommendations to the chain of command on how to proceed. Also, Dr. [redacted] said his final autopsy results were done, but just needed a peer review before he released them (I'll make sure you get a copy).
