Unit: Unknown.

Synopsis: According to ICRC report, a detainee alleged he was captured and taken to **an unknown location** by unknown Coalition Forces. During transport, the detainee alleged his hands were restrained and he was forced to lay face down on a hot surface, believed to be the engine of a vehicle. As a result, the detainee suffered extensive burns over his frontal body area (stomach, chest and upper and lower extremities), which required three months of hospitalization at the Iba-Sina Hospital, Baghdad, Iraq.

Status: **Investigation continues** to identify the unit responsible for the detainee's capture. (0176-04-CID259).

(25) Date of Occurrence: Unknown. Extracted from ICRC report and initiated by CID on 27 Jul 04.

Unit: Unknown.

Synopsis: According to the ICRC, a detainee alleged he was captured at **an unknown location** by unknown Coalition Forces. The detainee alleged he was tied, hooded and forced to sit on a hot surface, which he believed was the engine of a vehicle, causing burns to his buttocks. Efforts to identify the detainee have proven unsuccessful as the ICRC declined to provide any identifying data for fear of future reprisal against the detainee.

Status: **Investigation continues** to verify the allegation and interview the alleged victim. (0175-04-CID259)

(26) Date of Occurrence: 1 Aug – 31 Oct 03. Reported by soldier and CID case initiated on 30 Jul 04.

Unit: 65th MP Co/16th MP Bde.

Synopsis: A soldier reported he and another soldier captured a detainee, **at an unknown location**, and began physically assaulting him by kicking and punching the detainee. One soldier admitted to the assault and another witness to the incident also confirmed the incident occurred as alleged. Interview of the second subject is pending.

Status: **Investigation continues.** (0573-04-CID023)

(27) Date of Occurrence: 25 Feb – 7 Mar 04. Reported by a newspaper article and CID case initiated on 2 Aug 04.

Unit: Unknown.

Synopsis: A female detainee alleged she was physically assaulted by unknown US Forces **at an unknown location**.

Status: **Investigation continues** to identify the unit responsible for the detainee's capture and verify her allegation. (0246-04-CID259).

(28) Date of Occurrence: 27-28 Apr 04. Reported by victim and CID case initiated on 2 Aug 04.

SEXUAL ASSAULT (1)

(1) Date of Occurrence: 11 – 31 Aug 03. Reported by 22d MP Bn on 5 May 04.

Unit: Unknown

Synopsis: On 16 May 04, it was reported an Iraqi citizen alleged she was apprehended on 11 Aug 03 and detained for 10 days before being released. The female alleged she was sodomized, physically and indecently assaulted, and deprived of food and water, all at a **remote unknown location**. The female alleges her captors were American Coalition Forces, but she was unable to provide any descriptions. Further investigation did not develop sufficient evidence to prove or disprove the incident occurred as alleged. The delay in reporting, lack of witnesses and the medical screenings, which did not disclose any physical injuries, negated any potential value to substantiate the incident.

Status: **Investigation closed as insufficient evidence to either prove or disprove the offenses.** (0094-04-CID259)

(10) Date of Occurrence: 18 Jan – 14 Feb 04. Reported by Social Work Services, Ft Bliss, TX through medical personnel and received by CID on 23 Jun 04.

Unit: Unidentified medical unit, Balad, Iraq

Synopsis: A social worker reported a soldier related during his counseling sessions that he reportedly killed several unknown Iraqi detainees by putting bleach in their intravenous lines or intentionally cutting their arteries while assigned as a medic at the **Intensive Care Ward, Balad, IZ**. The soldier was interviewed by CID and denied making the statements to the counselor or committing the allegations. When re-interviewed, he admitted he lied in his previous interview, that he had told his counselor those stories regarding his activities in Iraq, but he maintained he never killed anyone and was having trouble expressing what he felt like he would have liked to do and what he really did. He believed the information he provided to his counselor would never have been disclosed. Examination of records in Balad revealed no deaths meeting the description as provided by the soldier. Further, unit interviews revealed the soldier never had access to hospitalized detainees as he alleged.

(17) Date of Occurrence: Jan – Oct 02. Reported by a defense counsel assigned to a GITMO detainee on 20 May 04.

Unit: Unknown, BDF

Synopsis: A detainee alleged while confined at the **Bagram Detention Facility (BDF), Afghanistan,** he was physically assaulted by unknown soldiers. Detainee is still in custody at GITMO. Coordination with the prosecuting attorney revealed charges were preferred against the detainee and an interview would not be granted until completion of detainee's trial at GTMO (estimated to be several months to a year). Based on the inability to interview the alleged victim, there was insufficient evidence to prove or disprove the allegation occurred as alleged. The investigation was terminated pending the completion of the detainee's trial. Upon being granted an interview, the CID investigation will be re-opened to conduct further investigative activity.

Status: **Investigation closed.** (0059-04-CID369)

(19) Date of Occurrence: Feb – Apr 03. Reported by CJTF-180 SJA on 24 May 04 by CJTF-180 SJA.

Unit: Unknown, Afghanistan

Synopsis: Allegedly eight members of the Paktia Corps were caught and detained at the **Gardez Detention Facility, Afghanistan,** where they were physically assaulted, to include one whose toenails were reportedly extracted. Allegedly, one of the detainees died of the abuse. Further investigation revealed no detainee died while in US custody as originally reported, and this case was subsequently unfounded. Further investigation also revealed insufficient evidence to prove or disprove the allegation that seven detainees were abused. According to the local police commander, the only detainee with any injuries was a detainee with a removed toenail. The injury was reportedly obtained prior to the detainee being brought to the detention facility. Efforts to identify and interview any of the detainees were unsuccessful as no records were maintained by the detention facility at the time of the alleged incident.

Synopsis: Detainee alleges that he was captured by unknown Soldiers and taken to an **unknown detention facility in Samarra,** where he was placed in a "hole in the ground" for three days, after which he was taken to a room, placed on a box that had wires attached to it. The detainee claimed the he felt heat coming from the box and was burned. The detainee further claimed that he was also punched by unknown Soldiers, and was eventually taken to the Baghdad Central Confinement Facility, where all of his hair, to include eyebrows and moustache were shaved off by an unknown Soldier. He further alleged that while at the BCCF, he was tied to a door and a large white dog was allowed to bite him. A review of the detainee's medical records revealed the detainee complained of generalized aches and pains, but no accusations of abuse. Additionally, coordination with Dr. [redacted] revealed the b6-4, b7C-4 detainee suffered from a stroke approximately one month prior to his arrest and suffered from spinal stenosis as a result. The detainee was offered surgery to relieve the spinal conditions, but refused. The detainee made no allegations of abuse to Dr. [redacted] Further b6-4, b7C-4 investigation did not develop sufficient evidence to prove or disprove the allegations made by the detainee.
