Aicon,

The attached document is the latest approved authorized/unauthorized activities list for detainees. I will send out a guardmount message stating this is the latest document to use. If you will notice, it is dated 12 Mar 06 and this should be the one all guards use. Due to the type of document, I cannot attach to the dims computer for a guardmount. With that being said, please distribute to your personnel, and when we update the SOP this will take the place of the one currently in the SOP. If you have questions, please give me a call.
